

FINANCIAL ASSISTANCE GRANT REQUEST FORM

GBYF believes that access to educational opportunities is a social determinant of health in our community.

Our mission is to provide resources that enhance the educational and extracurricular experience of Central Curry Youth. All funding requests must meet the mission statement to be considered.

Please note that your funding request should be submitted well in advance of and prior to the start of the activity to allow for consideration and determination in a timely manner. Each individual activity requires the completion and submission of a new form indicating the information for each request.

The GBYF has monthly meetings held on the third Monday of each month; requests received in a timely manner will be reviewed at the next scheduled monthly meeting.

Upon approval we may request volunteer hours to give back and pay forward for the support.
